President's Report

I hope all our members enjoyed the Winter Show. Judging by all the happy, smiling faces – I think you did! There was

lots of preparation needed beforehand and work to be done during the Show, but it all came together very well.

At the time of writing this report (19.7.19) we have exactly 6 weeks till set – up for our Spring Show. This time will go very quickly, so keep looking after your orchid plants, particularly your spikes.

Over the next few weeks our hardworking committee will be focusing on updating and revamping our website. We need a website that displays all Society information, be attractive to visitors and is easy to maintain.

The Bunning's BBQ is fast approaching – Sunday 18th August. Thank you Yvonne and Sandra for organising it. The roster is now full, but feel free to come down to Bunning's to enjoy a sausage sandwich.

Due to a misunderstanding of the day/night General Meetings our July Guest Speaker, Trevor Hughes unfortunately did not attend. We will hopefully be able to re-schedule Trevor for a date next year. All was not lost though, as we had an interesting talk by some of our members on how they grew their winning orchid plants.

Our August Meeting will be the last of our Day Meetings for the year. The feedback from members has been very positive and we will try to continue to meet during the day in the cold months of June, July and August again next year. Our Guest Speaker for our August Meeting will be **Peter Stubbs** talking on 'Orchids of Borneo' which should be very interesting.

Warm regards,

Louise

WINTER SHOW - Wrap-Up

Thank you all members' for your contribution to our Winter Show. We sent out the word that we needed your plants and you delivered. I thank the Committee members and members who put the banner and corflute advertising signs out, Lynne for all the printing of schedules, flyers -you name it, Lynne printed it!, for the help on the promotion table at Stocklands, judging night helpers, raffle ticket sellers, security, sales team – amazing job Phil and Ron, our Treasurer Tom, for his money - collecting skills, ably assisted by Françoise and Di, Alan Stephenson for taking photos and finally Don Hogan our Show Marshal. He was present from Judging Night and right throughout the show, doing a great job.

Congratulations to Lynne and Brian Phelan for winning the Champion Orchid of the Show with their well grown and interesting New Guinea orchid, *Den. lawesii* var. *bicolor* 'Georgie'. They receive the John Apperley Trophy to take home. They also won the Reserve Champion Orchid of the Show with *Den. bigibbum* var *alba* and receive the Dulcie Gray Trophy. Champion Intermediate Orchid went to Helen Douglass with her lovely *Wils. Pacific Panache* 'Fireside Fever', well done. Helen receives the Herbie Morschel Trophy. The Champion Novice Orchid was won by John Clarke for his *Odont. Tropical Heatwave* 'Everglades' and takes home the Alan Stephenson Trophy.

Most Successful Open Exhibitor: Brian Phelan 54 points; Runner – up: John Clancy 34 points

Most Successful Intermediate Exhibitor: Sandra Ellis 38 points ; Runner up: Helen Douglass 29 points

Most Successful Novice Exhibitor: John Clarke 34;

Runner – up: Bede Smythe 24

Please see a full list of show winners printed elsewhere in the Newsletter.

Many visitors commented how lovely the show was and how friendly we all were, which was very encouraging to hear. We ran out of Membership Application Forms early, and had to quickly print some more, so hopefully we will be seeing some new faces amongst our membership.

There were 99 orchids entered in the show and 13 ferns and foliage. These figures don't include the 2 tables of 'display only' plants which added to the presentation.

The raffle tickets sold well with the prizes being - 2 beautiful pale pink cymbidiums for 1st prize, 1 tan coloured cymbidium which had a beautiful yellow lip for second prize, and 3rd prize a \$30 Bunnings Voucher. A lovely red/brown Cymbidium orchid was the Lucky Door prize.

The winners of the raffle were – 1st. Joyce Widows, 2nd., Alison (Di Slye's daughter), 3rd. Doris Kelsey and Lucky Door Prize – Melena Blackwall.

I hope members liked the change from rosettes to sashes for the Champion Prizes. They may not look as flashy as the rosettes but I think they still look nice. In order to keep a lid on our expenses, the Committee has also decided to keep and re-use the blue 1st and red 2nd and white novice 3rd ribbons for each of our shows. This will result in a saving of up to \$390 every year. I know some members like to keep the place ribbons as a memento of their prize at the show, but I hope members would feel, that there are better ways of spending our Society's money.
